### 1. Application for Premises Licence

**Claro Social, Ground Floor, 42 High Street**

Ref No:

**2. Representation: YES**

Date: 29 September 2021

### 3. Representation details

Licensing Objective                      Prevention of Public Nuisance

Reason for representation        To prevent noise disturbance to occupiers of  
neighbouring residential premises.

Due to residents in close proximity, the Environmental Protection Team recommend restricting the outdoor use to 21:00 hours. The reduction in the outdoor use will have a positive effect on preventing public nuisance.

As there will be recorded music at the premises, there is potential for noise breakout from the premises, especially when the applicant wishes to have DJ events. It is recommended to ensure all windows and doors are closed to prevent public nuisance.

Should you be minded to grant the licence as it stands I would recommend that measures are put in place to try to manage noise from the premises and so help prevent a public nuisance and so I would recommend the following:

## Conditions/Remedy

1. Prominent, clear notices shall be displayed at all exits requesting customers and staff to respect the needs of local residents by keeping quiet but also leave the premises and area quietly.
2. There shall be no deliveries to or dispatches from the premises or the collection of waste bottles or commercial waste outside the hours of 08:00 and 20:00.
3. Noise from amplified and non-amplified music, singing and speech arising from regulated entertainment at the premises (between the hours of 23:00 and 00:00 hours) shall not be audible inside habitable rooms of noise sensitive properties in the vicinity
4. The disposal of waste bottle into external receptacles shall not take place between the hours of 21:00 and 10:00.
