

## The Harrogate District Street Aid Fund Statement 1st April 2021 - 31st March 2022

The Harrogate District Street Aid Fund was launched in late October 2019. Since then, many people have donated, both by using the contactless donation points in Harrogate and online. As a result, the fund has continued to make awards, to benefit individuals who are homeless in the Harrogate district and help them to get off the streets and move forward with their lives. We are proud to be a part of Harrogate District Street Aid, and look forward to celebrating its achievements in the future. Thank you for your support.
